

Brentwood Borough Council

Notice of Intention to Publish a Revised Version of the Register of Electors

The Representation of the People (England and Wales) Regulations 2001

In accordance with Regulation 36(1) of The Representation of the People (England and Wales) Regulations 2001, as Electoral Registration Officer for Brentwood Borough Council (the principal electoral authority), I hereby give notice of my intention to publish a revised version of the full electoral register for 2024 on 4th January 2024.

Such revision is necessary to reflect a new scheme of polling districts that arise from local government boundary changes approved by Parliament following an Electoral Review of Brentwood Borough Council which was recently conducted by the Local Government Boundary Commission for England.

The Commission's final report and maps depicting the new electoral arrangements that are effective at scheduled local government elections in May 2024 are available here: www.lgbce.org.uk/all-reviews/brentwood.

Jonathan Stephenson
Electoral Registration Officer
Dated: 18th December 2023
